Mashville Union.

For Freedom and Nationality.

s. C. MERCER, Editor.

To Whom it May Concern. I am directed by Major-General Roseonans, commanding the military department of the Comberland, to publish the following as a guidance to all parties having business transactions with any officer, or agent of the Quartermaster's

Department. Particular attention is soligited to all the points referred to, from all citizens, and settlers in Tennessee, or where the army or any of its detachments

may be found. The officers of the Quartermaster's Department have special charge of the matter of Fuel, Forage, Straw, Transportation, its repairs and maintenance and while in the field have under certain restrictions, understood by themselves, authority to provide the articles

above specified for the use of the troops,

and transportation in their charge.

Supplies pertaining to the Quartermaster's Department must be purchased or procured by the officers of that Department, or agents appointed only by the approval of the Secretary of War .-Should officers or agents be supplied with funds, immediate payment should be made for all purchases made from, and for services rendered, by loyal persons. When purchases are made by any Quartermaster or agent not supplied with funds for payment, certified accounts of purchase must be given in triplicate and in form; the certificate stating the artieles purchased will be accounted for at the close of the month of purchase, on their monthly reports to the Department at Washington, Citizens or camp fol-

lowers are not to be authorized to make purchases on account of the Quartermaster's Department. No payments can be mace except on the certificate of the authorized officer making the purchase, and no receipt, memorandum, or certificate, except given as above described, will be entertained by any disbursing Quarter-Officers making purchases of supplies

for the Quartermaster's Department are held directly responsible to the Tneasury of the United States for the legality of their purchases, and are also held strictly accountable for the proper care and distribution of all supplies received, and purchased: this accountability is monthly, and must be so stated in their certificates of purchase-otherwise the certificate is valueless, and is so considered by the disbursing officer.

Brigade and Regimental Quartermasters should always add to their signature the number of the regiment to which they belong, and the State from which the regiment comes, or their official signature is incomplete.

Officers have no right to seize or press private property for their own use, nor for the use of the government, without authority from the commanding general. When such authority is delegated, the certificates, as above described, are required by the laws of the United States, and all others are valueless.

J. G. CHANDLER, Capt. and Asst. Q'rmaster, U.S A. Inspector of Quartermasters. NASHVILLE, Tenn., Dec. 9, 1862 .- 10t

Proclamation of the Governor. WHEREAS, The State of Tennesses is now, and has been, without a full representation in the XXXVIIth Congress of the United States of America; and whereas it is believed, upon information received, that a large majority of the voters of the Ninth and Tenth Congressional Districts of this State, as apportioned by the Act passed February 20th, 1852, have given evidence of their loyalty and allegiance to the Constitution and laws of the United States,

Now, therefore I, ANDREW JOHNSON, Military Governor of the State of Tennessee, in order to secure to the loyal electors of these two Congressional Districts their constitutional representation in the House of Representatives of the United States of America, have deemed it proper to issue this my proclamation, appointing and ordering elections to be held on the twenty-ninth day of December, 1862, to fill the vacancies in the XXXVIIth Congress of the United States of America in the following Districts, to wit: The Ninth Congressional District, composed of the counties of Henry, Weakly, Dyer, Obion, Lauderdale, Tipton, Gibson, Carroll and Henderson.

The Tenth Congressional District, composed of the counties of Madison,

Haywood, Hardeman, Fayette, and Shel-

Writs of election will be issued, and the election held at the places desigmated by law, and the proceedings under said writs returned to the office of the Secretary of State. The judges appointed to hold said elections, in addition to the oath prescribed by section 844 of the Code of Tennessee, shall further swear that they will permit no person to vote whom they believe to be disloyal to the Government of the United States.

And no person will be considered as an elector qualified to vote, who, in addition to the qualifications now required by law, does not give satisfactory evidence to the judges holding said election of his loyalty to the Government of the United States.

In testimony whereof, I, ANDREW JOHNson, Governor of the State of Tennessee, and Commander-in-Chief of the forces thereof, bave hereunto set my hand and caused the great seal of the State to be affixed at the Department in Nashville, on this the 8th day of December, A. D.

By the Governors ANDREW JOHNSON. EDWARD H. EAST, Secretary of State.

PROSPECTUS

OF THE NASHVILLE UNION

The Nashvilla Union was commenced a few weeks since, for the purpose of opposing the Rebet Scathern Confederacy, and of advocating the restoration of Federal authority, without any abstement, eyer all the States with have strempted to second. It holds as friends all the States It has no watchword but Farmon 450 Nationality.

With rebeis and trail. has no compromise to

With rebels and trail. but he compressible to make it contends for the Federal Constitution and the Laws made in pursuance thereof as the Scrauss Law or the Laws, anything in the Constitution and Laws of any of the States to the contrary notwishlanding.
It contends for the Union of the States, because

without it the preservation of our abortion and insti-tutions and the organization of essety itself are wholly impossible. Therefore, whatever stands in the way of crishing out the rabellion and restoring a Union must perish, no matter by what name it be

ed.

To the people of Tennussee, over renowned for their devotion to Liberty and Union, ontil they were betrayed to the rebel despotism at Richmond by a perdious Governor and corrupt Legislature, and Who have left so heavily the await curie of treason and anorchy, we appeal for support. Let the names of robel office-holders, Vigilance Committees, and Minote Men, who have filled our borders with mourning, be gibbetted before the world. Let those ambitious and avarious men who have noted our cute for their supports. gibbetted before the world. Let those ambitious and syaricious men who have plotted our ruin for their own agrandizement be fastened to the pillory of chame, to matter how high their "its n in society. Let it be shown how the so tatyled defenders of "Southern Rights" are now leading marradum hands of free-bouters and moss truopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railead bridges and cars, and murdering marmed citizens in cold blood. Let the truth, as long excluded by the Fouthern comprisators, now circulate freely through every neighborhood, and our cause will assuredly trionaph. Will not loyal men everywhere aid us in the dimeningation of facts and the advocacy of Free Government? and the advocacy of Free Covernment?
